### **Janus Announces Verizon Certification of their CellBridge™ LTE910CF v20.00 CAT-M1/NB-IoT Embedded Common Footprint Cellular Modem**

Aurora, IL – Janus Remote Communications, an industry leader in the design and manufacture of precision IoT products and solutions, is pleased to announce Verizon “end device” certification of their CellBridge LTE910CF v20.00 Category M1/NB-IoT Common Footprint (CF) Embedded Cellular Modem. Integrating Telit’s Global ME910G1-WW LTE module as their cellular engine, the LTE910CF v20.00 units operate in LTE bands B1, B2, B3, B4, B5, B8, B12, B13, B18, B19, B20, B25, B26, B27, B28, B66, B71, B85.

The new Janus CellBridge™ family of Global IoT solutions provides our customers with powerful new hardware, software and connectivity tools to quickly and easily integrate certified cellular modems into their end applications, giving them unrivaled operation, monitoring and control features and functions.

Easily integrated into any new or existing hardware applications via its standard 49-pin DIP configuration, the CellBridge™ LTE910CF is a cost-effective solution for LTE IoT (Internet of Things) connectivity. Users can choose to mount the devices directly onto their PC Board or simply mount in a DIP socket or header. Their footprint compatibility with other Janus products removes the worry of obsolescence.

The Janus LTE910CF v20.00 units with their “end device” certification provide customers with the fastest possible route to market and are ideal for use in any IoT telemetry and Telematics applications including fleet and asset management, vending, security, health and safety, remote monitoring, e-maintenance and many telemetry applications.

#### **About Janus**

Janus Remote Communications provides state-of-the-art wireless products and services as well as custom design solutions for the global IoT marketplace: [www.janus-rc.com](http://www.janus-rc.com). Janus solutions are widely used by customers in the areas of asset, process, facility and energy monitoring and control; health, safety and security; and in a host of commercial wireless products. Janus is a division of The Connor-Winfield Corporation: [www.conwin.com](http://www.conwin.com).

**For more information on Telit, visit: [www.Telit.com](http://www.Telit.com)**

Cost: \$61.00 each at 100 piece quantity
