### Janus Remote Communications Announces Verizon Certification of the Terminus LTE910CF v3.0

**Aurora, IL** – Janus Remote Communications, an industry leader in the design and manufacture of precision IoT products and solutions, is pleased to announce that their Plug-In Terminus LTE910CF v3.0 has been certified for use as an end product on the Verizon cellular network. The LTE910CF v3.0 (Verizon) units operate in LTE only using bands (B13) and (B4).

The Plug-In Terminus LTE910CF is a dual band, LTE wireless communication module specifically designed for IoT application deployment. Easily integrated into any new or existing hardware applications via its standard DIP pin configuration, the LTE910CF is a cost-effective solution for LTE IoT (Internet of Things) connectivity. Users can choose to mount the LTE910CF directly onto their PC Board or simply mount in a DIP socket or header.

LTE910CF v3.0 pre-certification provides the end customer with the fastest possible route to market and is ideal for use in any IoT/M2M telemetry and Telematics applications including fleet and asset management, vending, security, health and safety, remote monitoring, e-maintenance and many telemetry applications. Janus is proud to use Telit technology in the LTE910CF Terminus.

Telit Communications PLC is a global provider of wireless machine to machine (M2M) technology and value-added services including connectivity cloud and PaaS Application Enablement Services. [www.telit.com](http://www.telit.com)

#### About Janus

Janus Remote Communications provides state-of-the-art wireless products and services as well as custom design solutions for the global M2M marketplace: [www.janus-rc.com](http://www.janus-rc.com). Janus solutions are widely used by customers in the areas of asset, process, facility and energy monitoring and control; health, safety and security; and in a whole host of commercial products. Janus is a division of The Connor-Winfield Corporation: [www.conwin.com](http://www.conwin.com).

**Cost: \$137.50 each at 100 piece quantity**
